

THE BITE

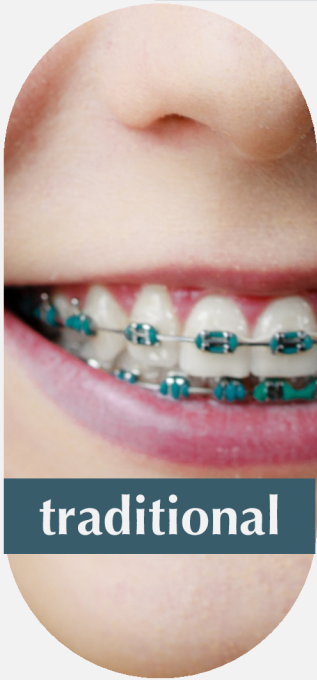

INTRODUCING...

THE PARENT PERK!

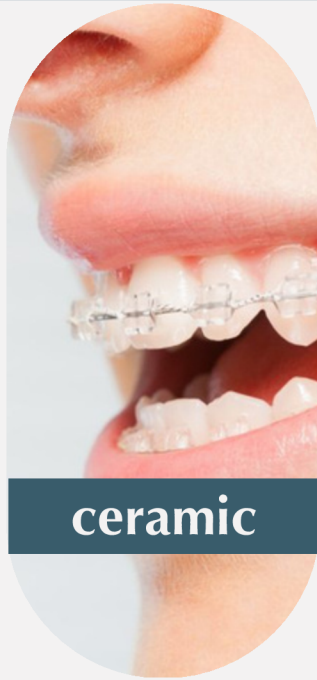

We're excited to introduce our new "**Parent Perk**" program—designed with families in mind! Now, when a parent starts orthodontic treatment at the same time as their child, they'll receive a special discount on **their** braces - - **\$250 off!** It's the perfect opportunity to prioritize your smile alongside your child's, while enjoying meaningful savings. Not only does this make treatment more affordable, but it also creates a shared experience that can motivate and support your child throughout their orthodontic journey. Schedule a **complimentary** consultation and ask our team for details and see how your whole family can smile with confidence together!

“WHAT IS THE TONGUE DOING WHEN YOU’RE NOT LOOKING?”

Airway, Tongue Function, and Orofacial Myofunctional Disorders in Modern Dentistry

MEET OUR GUEST SPEAKER, ANGELA!

Angela Richwine, RDH, BASc, QOM® , COM®

Angela has been in the dental field for 30 years. After earning her dental hygiene certificate, she completed her undergraduate degree, with a business focus, from Campbell University. In 2020, she founded Central Virginia OMT LLC, helping clients overcome myofunctional disorders such as mouth breathing, tethered oral tissues, bedwetting, snoring, sleep apnea, and oral habits.

She has lectured on the topics of myofunctional therapy and sleep-disordered breathing at the Kois Center, Pediatric and Adult Airway Network of New York (PAANNY) and European Society for Cosmetic Dentistry. She has also introduced the topic of airway health and orofacial myofunctional disorders to dental hygiene students nationwide.

Angela has completed extensive training through IAOM, Neo Health, Baby Mouth Toddler Mouth, MyoMentor, and Breathe Babies through The Breathe Institute, along with ongoing continuing education.

She is a Board Certified Orofacial Myologist COM®, Qualified Orofacial Myologist QOM®, and is certified in Buteyko Breathing, Face Yoga, Gua Sha, and Gillespie Craniosacral Facial Therapy.

Angela provides virtual and in office therapy and collaborates with healthcare professionals to ensure comprehensive, whole person care.
